Email

camille.nul@gmail.com

I explore new ways to enhance how we work, play, and connect. My work is informed by research and facilitation, shaping thoughtful and engaging design experiences.

experience.

Web Designer & Project Manager, Claria Counseling

Aug 2025 - Feb 2026

Houston, TX • Hybrid

- Led end-to-end website design from brand identity and lo-fi wireframes to high-fidelity prototypes and a developer ready design system, driving a 22% increase in appointment bookings.
- Directed execution of a custom CMS, overseeing all production milestones, running stakeholder meetings, and sourcing site content and copy to ensure on time project delivery.

Multimedia Design Specialist, Reynolds & Reynolds

Jun - Aug 2025

Houston, TX • Internship

- Designed user onboarding for a business management platform used by car dealerships across North America, addressing accessibility gaps and modernizing eLearning flows.
- Co-authored a User Onboarding Redesign case study adopted as a long term reference guide for the product team.

UI/UX Designer & UX Researcher, Trevah LLC

Jan-Aug 2025

Chicago, IL • Remote

- Contributed to a startup-scale design system for a full web app—covering UI components, user flows, responsive design, AI features, accessibility, and design handoff to engineering.
- Built the team's research infrastructure including a knowledge base, competitive feature analyses, and usability testing protocols for new product features.

education.

B.S. Digital Media Design, University of Houston

May 2026

Houston, TX

Minor in Technology Leadership and Innovation Management

skills & certifications.
